Encls.

OFFICE OF
the A.R.P. Officer,
Bangalore City.

Date 22nd January, 1943.

CHIEF To war
27 JAN 1
SECT OF MYSORE

The Chief Secretary to the Government of Mysore,
BANGALORE.

Through: The Inspector General of Police in Mysore, Bangalore.

Sir,

With reference to the Chief Secretary's Letter No.2900/W dated 30-12-1942 regarding the utilising the services of the Training Officer at Civil & Military Station, I have the honour to state that I had a discussion with the Chief Fire Officer Mr.Hunt, regarding this question on 21-1-1943 and his views about training is given below for favour of information and orders:-

The Training Officer is at present very busy in training a big number of recruits for fire-fighting service and as such it may not be possible for him to come to the City limits for training. It would, however, be possible to train a set of men as detailed below to begin with.-

1 Station Officer.
2 Leaders.
2 Drivers.
12 Men.

The course of training for these men extends to a period of 3 months. The hours of attendance of training will be as follows:-

7 A.M. to 9 A.M.
10 A.M. to 12 Noon.
2 P.M. to 3-30 P.M.
4 P.M. to 5-30 P.M.
} Total - 7 hours per day.

The training ground is near the Shoolay Tank and all our men have to go there and work at the hours specified above.

The Civil & Military Station Pumps will be used for training but the following materials have to be taken by the City people for

for training:-

2 lengths 4" suction hose pipes.
6 lengths of 2½" delivery hose pipes with couplings (Old)
2 Nozzles.

As regards the remuneration to be paid to the Training Officer, the Chief Fire Officer said that he would intimate later on. Probably it may not exceed 25% of the Training Officer's pay.

The Superintendent of Police, Provincial Reserve Police is agreeable to send the men as referred to above for training.

Orders are solicited in the matter.

I have the honour to be,
Sir,
Your Most Obedient Servant,

M R Ramaswamy
